MICHIGAN SOCIETY FOR MEDICAL RESEARCH

As you make your pledge to United Way this year we ask that you remember the Michigan Society for Medical Research (MISMR). Write in MISMR to receive all or part of your donation on your contribution consent card given to you by your employer. For those pledging to the United Way in Detroit the additional designation form at the bottom is required.

The Michigan Society for Medical Research is a nonprofit educational organization, which promotes understanding of medical research including the appropriate use of animals. We direct our educational efforts to demonstrate the relationship between animal research and the scientific progress while emphasizing that humane considerations guide the use of animals in research.
